August 1, 2019

Dear Community Partner:

As the State Coordinator for the Ms. Wheelchair North Carolina (MSWNC) Program, I'd like to introduce our organization and request sponsorship support for our annual MSWNC pageant. The MSWNC Pageant recognizes the achievements and accomplishments of women in wheelchairs in North Carolina and promotes community awareness, education and advocacy for people with disabilities. MSWNC is recognized as a state program under the MS Wheelchair America organization, www.mswheelchairamerica.org.

The MSWNC program is not a beauty pageant but is a competition to select the most accomplished and articulate spokesperson for the disability community in North Carolina. The new 2020 MSWNC titleholder duties will include speaking engagements, appearances and advocacy efforts across North Carolina over the next year. The new titleholder will also compete in the national Ms. Wheelchair America pageant in the summer of 2020.

The 2020 Ms. Wheelchair North Carolina Pageant will be held in Greensboro, North Carolina on February 7-8, 2020 at the DoubleTree by Hilton Greensboro, 3030 Gate City Blvd. The weekend will include leadership workshops, a community service project and pageant activities. The crowning ceremony will be held Saturday, February 8th. To learn more about our state pageant and the national pageant, please visit www.mswnc.org and www.mswheelchairamerica.org. Additional information is available on our Facebook page, MSWNC-America.

I have enclosed additional information about the Ms. Wheelchair NC program and corporate sponsorship opportunities and invite you to participate at the platinum level. Please let me know if you have any questions or concerns.

I appreciate your interest and support.

Sincerely,

Shannon Chisholm, MSWNC Chairman
